A21624	1. rühm		
A71821	1. rühm		
A72044	1. rühm	18,00	Report: Form: 3/3 Content: 11/12 (you never say what the results of papers [8] and [9] are - that would have been important) - Presentation: 4/5 (no concrete results presented / too generic)
A72080	1. rühm	17,50	Report: Form: 3/3 Content: 11/12 (overall a good report but a bit short for 3 authors; could have included more examples) - Presentation: 3.5/5 (over time / sometimes the flow of argument was not clear)
A81942	1. rühm	17,50	Report: Form: 3/3 Content: 10/12 (overall good report but a bit too short, even for a 2-student group) - Presentation: 4.5/5 (good but over time)
A92310	1. rühm	17,50	Report: Form: 3/3 Content: 10/12 (overall good report but a bit too short, even for a 2-student group) - Presentation: 4.5/5 (good but over time)
A92775	1. rühm	17,50	Report: Form: 3/3 Content: 11/12 (overall a good report but a bit short for 3 authors; could have included more examples) - Presentation: 3.5/5 (over time / sometimes the flow of argument was not clear)
A93847	1. rühm	18,50	Report: Form: 2.5/3 (no referencing) Content: 11/12 (unclear how failure growth models, heuristics, and defect estimation are connected) - Presentation: 5/5
A94096	1. rühm	18,00	Report: Form: 3/3 Content: 11/12 (you never say what the results of papers [8] and [9] are - that would have been important) - Presentation: 4/5 (no concrete results presented / too generic)
A94168	1. rühm	17,50	Report: Form: 3/3 Content: 11/12 (overall a good report but a bit short for 3 authors; could have included more examples) - Presentation: 3.5/5 (over time / sometimes the flow of argument was not clear)
A95503	1. rühm		
A95505	1. rühm	18,50	Report: Form: 2.5/3 (no referencing) Content: 11/12 (unclear how failure growth models, heuristics, and defect estimation are connected) - Presentation: 5/5
B04868	1. rühm	18,00	Report: Form: 3/3 Content: 11/12 (you never say what the results of papers [8] and [9] are - that would have been important) - Presentation: 4/5 (no concrete results presented / too generic)
B04872	1. rühm	18,50	Report: Form: 2.5/3 (no referencing) Content: 11/12 (unclear how failure growth models, heuristics, and defect estimation are connected) - Presentation: 5/5
B04876	1. rühm		
B04879	1. rühm		
B04882	1. rühm	19,00	Report: Form: 3/3 Content: 12/12 (a bit short but compensated by a large number of sources) - Presentation: 4/5 (parts were not linked / flow sometimes unclear)
B04883	1. rühm		
B04897	1. rühm		
B04964	1. rühm	19,00	Report: Form: 3/3 Content: 12/12 (a bit short but compensated by a large number of sources) - Presentation: 4/5 (parts were not linked / flow sometimes unclear)
B04965	1. rühm	14,00	Report: Form 2/3 (not clear where references were used / source of Fig. 1 missing) Content: 11/12 (unclear how parts A, B, and C are related) - Presentation: 1/5 (only provided slides but did not attend and help group mate)
B04966	1. rühm	16,00	Report: Form 2/3 (not clear where references were used / source of Fig. 1 missing) Content: 11/12 (unclear how parts A, B, and C are related) - Presentation: 3/5 (parts not linked / time not used)

B04994	1. rühm	19,00	Report: Form: 3/3 Content: 12/12 (a bit short but compensated by a large number of sources) - Presentation: 4/5 (parts were not linked / flow sometimes unclear)
B15634	1. rühm	20,00	Report: Form: 3/3 Content: 12/12 - Presentation: 5/5
B15646	1. rühm		
B15663	1. rühm	14,00	Report: Form 2/3 (not clear where references were used / source of Fig. 1 missing) Content: 11/12 (unclear how parts A, B, and C are related) - Presentation: 1/5 (only provided slides but did not attend and help group mate)
