KODUTÖÖ KOLM

Due 08.00 Teisipäeval 1 Marts 2016

Please upload your writeup and example programs as one compressed folder. You need not use an online judge for your example programs, though do make sure you explain how they work and write them as clearly as possible. Optimize your 6 hour time limit - choose your problems to give you as much of an introduction to the areas that are discussed.

Exercise 1
Complete some of the previously suggested exercises which you were unable to do in the previous weeks because of time constraints.

Exercise 2
How long did this take you? Stop when get to 6 hours.
