

GRAPHIS - TURTLE, EASYGUI

Project alpha version

- Deadline November 11, 2019
- It should be a good beginning. Not necessarily complete but already does something.
- Also describe what are your further plans for developing the project.
- Submit in Moodle.

Second test

- During the practice session on November 18, 2019.
- Duration: usual duration of the practice session.
- Covers topics from Weeks 7 to 11.
- The format is similar to the first test: a quiz and programming tasks.
- In first part materials not allowed, in second part materials allowed.
- Programming tasks must be solved in Thonny.
